

Cancer is Non-Partisan

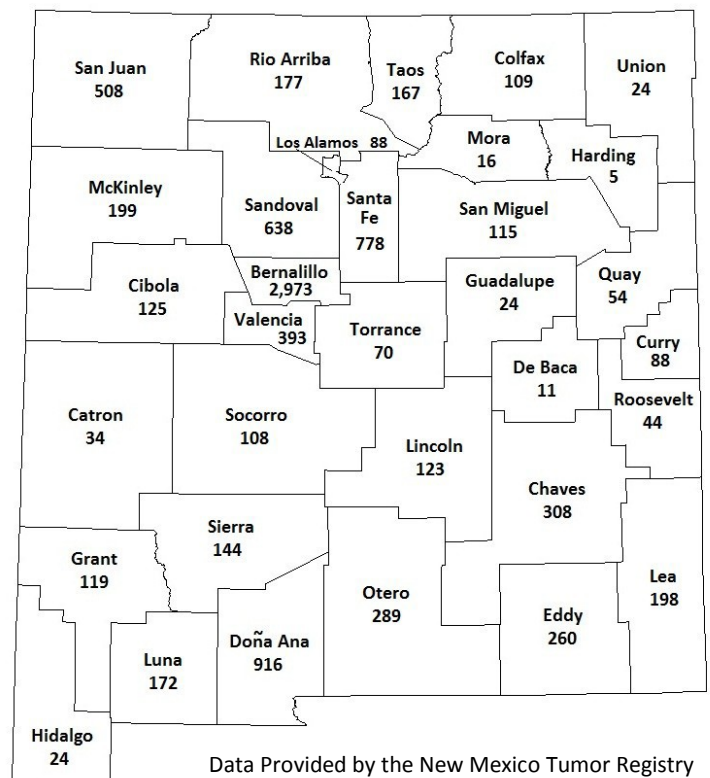

The **New Mexico Cancer Council** is dedicated to lessening the burden of cancer in our state and to improving the quality of life for **New Mexicans** living with cancer.

The **New Mexico Cancer Council** is New Mexico's source of information about cancer.

**Estimated number of New Mexicans
who will be diagnosed with cancer in 2013**

How does **CANCER** affect your constituents?

- ◇ About **9,300** New Mexicans will be newly diagnosed with cancer in 2013.
- ◇ About **3,000** New Mexicans die from cancer every year. **CANCER IS THE SECOND LEADING CAUSE OF DEATH IN NEW MEXICO.**
- ◇ About **97,000** New Mexicans are cancer survivors.

The **New Mexico Cancer Council** is a group of volunteers including doctors, public health personnel, nonprofit organizations, cancer survivors and their families, government agencies, colleges and universities, and advocates.

To learn how the **New Mexico Cancer Council** can help you and the people you serve, please call Susan Simons, NM Cancer Council Chair at (505) 288-2348, or email at simons73@msn.org.
