

NM Comp Cancer Council
Strategic Framework and Sustainability Plan
June 14, 2012

History

- Started as a CDC required coalition
- Supported by State DOH cancer program
- Primarily to ensure statewide input and representation in the development, implementation and evaluation of the NM Comp Cancer Plan

Current Situation

- Over 100 members
- Diverse Statewide representation
 - Large and small; urban and rural and tribal, cultural representation
 - Across comp cancer spectrum of services
- Strong and active executive committee
- Formal structure in by-laws, participation agreements etc.
- Productive work groups with tangible products
- Less influential or visible as would like
- Potential to refine and develop as an organization with some independence from the State

Need

- Peer to peer support- information sharing- learning- collaboration
- Stronger recognition of cancer and cancer burden
- Stronger collective and coordinated voice

Purpose

- The purpose of the Council is to foster coordination and collaboration among cancer related organizations to reduce the burden of cancer in NM

Vision (of Success)

- New Mexicans are aware of and educated about cancer prevention, screening, treatment and survivorship and have access to services

Impact

- Stronger, more effective cancer related organizations throughout the State and a stronger, more influential (collective) voice for cancer prevention and control

Description

- The council is a network of cancer professionals and volunteers working together to support, develop and enhance cancer programs and services

Primary Functions

- **Networking**
 - Information sharing, education, coordination and professional development among members
- **New Mexico Cancer Plan** development, implementation and evaluation
- **Coordinated Initiatives** (activities)
 - Statewide (coordinated) cancer **awareness** and education initiatives or campaigns
 - Collaborations to implement *New Mexico Shared Strategic Plan for Prevention and Control of Chronic Disease*
- **Collective voice**
 - Statewide **presence/ representation** / voice/ coalition for cancer planning, recognition and support

Position/ Niche
